Professional Experience

B STELLAR PRODUCTIONS – Freelance Designer/Writer

Tampa, Florida, May 2020 – July 2020 (Project Ended)

Provided support to television production crew by producing design materials, animations, and written content. Efficiently managed and coordinated writing assignments from concept through completion. Established creative vision for designs, articles, projects, and completed deliverables within project deadlines and requirements.

FIVERR (FIVERR.COM) – Freelance Writer

Tampa, Florida (Virtual Position), October 2015 – March 2019

Efficiently manage and coordinate writing assignments from concept through completion. Create and deliver impactful written content, explicitly presenting features that will appeal to readers and promote brand success.

SELF EMPLOYED – Freelance Graphic Designer & Multimedia Artist

Tampa, Florida, July 2014 – March 2017

Translated diverse subject matter into concrete designs for newsletters, promotional materials, and sales collateral. Created design themes and graphics for marketing / sales presentations, training videos, and corporate Web pages. Designed primarily digital art, animations, and image manipulations. Took photographs to aid in developing design aesthetics.

CHILDRENS AIDS FOUNDATION OF TAMPA BAY – Volunteer Graphic Designer

Tampa, Florida, March 2019 – Present

Create new design themes for foundations website, take photographs, and upload content to website after events.
